

# 3 YEAR DOOR GUARANTEE

## Terms & Conditions

All vinyl wrapped components carry a guarantee of 3 years from date of despatch, against defects in materials only. Doors should be cleaned only with a damp cloth, applying the minimum amount of moisture to components as possible (never use any cleaning materials containing solvents).

**High Gloss Doors should be allowed to cure for seven days after removing the protective film.**

Doors situated below a sink, or covering a dishwasher/washing machine are not covered, unless the damage is anything other than excessive water contact.

Components placed near heat sources such as ovens, radiators, grills, boiling kettles etc, are not covered by the guarantee unless protected by suitable heat strips, and a suitable gap left for heat escape.

In the unlikely event that the original colour has been discontinued, the nearest possible alternative will be offered. Any damage reported to us will be dealt with efficiently and swiftly, and any replacement will be at our discretion.

**Clagan Hill accept no liability for any consequential loss, costs or re-fitting charges.**

**The Guarantee covers the replacement of Vinyl Wrapped Components only.**
